MEMORANDUM FOR: Director of Personnel

SUBJECT: Request for Agency Choral Group

50X1 1. It has come to my attention that the Agency Choral Group has just completed a Spring Concert Series at Headquarters Building. The personnel of our Center would very much like to have this group present a similar program at Building 213. Preliminary arrangements have been made with [redacted] for a program on Wednesday, 13 May 1964, at 1230.

50X1 2. I would appreciate it very much if these arrangements could be confirmed and we could again have the opportunity of hearing this fine singing group. I have asked my secretary, [redacted] to handle the details of these arrangements and she may be reached on extension [redacted]
